

MEMORANDUM OF UNDERSTANDING

BETWEEN

OTTO-VON-GUERICKE-UNIVERSITÄT MAGDEBURG (OvGU)
AND
SINAI UNIVERSITY (SU)

In accordance with a mutual desire to continue scientific and technical interaction and collaboration between the OvGU, Germany, and SU, Egypt, the two institutions agree to enter into this formal Memorandum of Understanding (MOU) for the purpose of scientific and cultural exchange.

Article 1

The two institutions have found it mutually beneficial to initiate cooperative activities in areas of mutual interest for the following purposes:

- a) Exchange of faculty, scholars, and graduate students for lecturing, advanced studies and research.
- b) Exchange of information, theses, teaching materials, and other technological and scientific literature.
- c) Cooperation on scientific and technological research and instruction.
- d) Organization of bilateral joint symposia, workshops, and conferences.
- e) Exchange visits by members of Faculty of the two institutions.
- f) Conducting joint and integrated programmes for graduate students.
- g) Exchange of scientific / technical publications and information.
- h) Executing R & D projects towards conferments.

Article 2

By signing this Memorandum, neither of the universities accepts any kind of obligation to finance any activities of the exchange and cooperation out of their own budget funds, unless special funds are being made available for this purpose. Both contracting parties will do their best to find national and international financing possibilities for the envisaged activities.

Article 3

This Memorandum will become effective immediately upon the signatures of both OvGU and SU representatives and will remain in force for a period of five years. An extension beyond this date will require consultations between, and written approval by, OvGU and SU at least six months prior to the expiration of this Memorandum of Understanding.
