

Agreement

For Educational and Scientific Cooperation

between

Sinai University (Egypt)

and

University of Applied Sciences Amberg-Weiden

(Germany)

Fachhochschule
Amberg - weiden

Both parties agree to establish ties of friendship and cooperation for the purpose of promoting mutual understanding and academic, cultural, scientific and personnel exchange as stated in the following articles mentioned below.

Article 1

The cooperation between the undersigned two universities will take the form of (but is not limited to):

1. *Taking part in joint research work.*
2. *Exchange of staff members.*
3. *Exchange of students.*
4. *Exchange of administrative staff.*
5. *Post Graduate programs.*
6. *Special short-term academic programs.*
7. *Exchange of academic materials and other information.*
8. *Exchange of publications and scientific information.*
9. *Exchange of invitations to participate in international activities and conferences.*

Article 2

Both parties will cooperate especially in the field of engineering sciences, business administration as well Media technology.

Article 3

Activities are to be conducted according to the needs and priorities of each university, on preliminary bilateral basis acceptance.

Article 4

Financial arrangements for exchanges are carried on individual basis, however_ in general it shall be the commitment of the home institution to provide travel allowances and scholarship support allowances unless other arrangements are newly agreed upon.

To implement the collaborative activities envisaged under this agreement, representatives of both parties may meet periodically to negotiate and conclude specific project agreements and programs of cooperation, including their financing manner.

The financial arrangements related to each project agreement and program of cooperation will be in accordance with such nominated specific agreement. The parties agree that the in absence of any specific agreement, all expenses, including but not limited to salary, travel, living and additional costs relating to the project, shall be born by the party which incurs such expenses.

Both parties will exert efforts for the purpose of raising funds for the realization of common mentioned above activities.

Article 5

The parties agree that the intellectual works resulting from the actions developed by the means of this agreement will become property of the party that produced them. If they are part of a joint-venture, both parties will share the rights. In every moment the parties will recognize the right of the researchers to figure as authors in all the documents that legally correspond.

Article 6

Both University of Applied Sciences Amberg-Weiden and Sinai University Egypt are currently collaborates to establish joint scientific programs. These programs will be supervised by the staff members in both mentioned universities. The scientific joint degree will be granted by both universities.

Article 7

Each university shall appoint members of their staff responsible for the coordination and the execution of the present agreement, according to preliminary acceptance from representatives.

Article 8

In regard to Sinai University, the Vice President for post-Graduate Studies and Research is responsible for the coordination and execution of the Agreement. At the University of Applied Sciences Amberg-Weiden a Vice President and the Dean of the Faculty of Mechanical Engineering and Environmental Technology will be the contact persons in cooperation with the International Office.

Article 9

The Agreement shall be effective for a period of three years from the date it is signed by both parties. The Agreement may be renewed for the same period upon the approval of the two parties, unless written notice is given six months before its termination by either of the two parties. In this case, the termination does not alter the responsibilities of the parties concerning the programs being executed until the end of the Agreement.

Article 10

Two official original Agreements in English language are to be signed by the representatives. Each University holds one original copy of the agreement.
