

Curriculum Vitae

- Name: Rofayda Mohamed Abd El-fatah Hassan
- Title: Teaching assistant of biochemistry
- Department: Biochemistry
- E-mail : Rofida.mohamed@su.edu.eg

A) Academic Qualifications:

- Bachelor's Degree in pharmacy and pharmaceutical industries (Sinai University, Arish branch, fourth Rank)
- University: Sinai University
- Year: 2011
- Masters Degree in Pharmaceutical Sciences (Biochemistry)
- University:Suez Canal University
- Year:2018

B) Academic promotions :

- Demonstrator, Date:2011
- Assistant Lecturer, Date:2018

C) Scientific Merit:

- Google Scholar: https://scholar.google.com/citations?hl=en&user=7H_dcZ8AAAAJ
- Citations:1 h-index:1 i10-index:0

D) Academic Administrative Experiences:

- Teaching assistant of biochemistry, Biochemistry department, Faculty of pharmacy, Sinai University, El Arish, Egypt.
- Teach to the undergraduate students the practical work of biochemistry
- **Quality Coordinator of the department**
- **Member of the Academic Standards and Educational Programs Standard**

E) Scientific Activities

1: Membership of Professional Organizations and Scientific Societies

Membership of Professional Organizations and Scientific Societies Egyptian Pharmacists Syndicate.

2: Training Courses/workshops:

- Clinical Pharmacy, Soft Skills, Communication Skills & Patient Counseling courses (2010) (El Mansoura University).
- Training at MUP Company for 3 months
- Intensive Online TOT course (6-21 December 2021).
- Fundamentals of Digital Transformation Certificate.
- TOEFL.

3: Conferences, Seminars and Workshops:

- Participation and poster presentation in the **American society of microbiology** (ASM microbe2016) JUNE 16-20. **BOSTON, USA.**
- Participation and poster presentation in the first international conference of pharmaceutical and medical sciences 2017 (1st-2nd APRIL 2017).

- Participate with an abstract in the 4th annual conference of graduate researchers in pharmaceutical science: New frontiers in pharmaceutical research 2 (November 28th , 2022)

- Attendance in the annual scientific conference with collaboration between psychiatric & obstetric nursing departments (challenges and opportunities in women physical and mental health) (May 24th , 2023, Ismailia, Egypt)

4: Teaching Scopes:

Biochemistry

5: Scientific Mission:

- Achieving excellence in pharmaceutical and biochemical science and researches.
- Achieving excellence in biochemistry education.
- Promotes the value and impact of biochemical services among health care professionals, scientific laboratories and community.

F) Scientific Publications:

Abd El-Fatah, R.M., et al., The C-terminus of the ESAT6-like secretionsystem virulence factor EsxC mediates divalent cation-dependent homodimerization, Toxicon (2018).

<https://doi.org/10.1016/j.toxicon.2018.02.047>

-**International journales:** Published by Toxicon , El-Sevier, impact factor (2.5).

G) Quality Assurance in Higher Education:

- QA Managing Positions:

- Quality Coordinator of the department

- Member of the Standard for Academic Standards and Educational Programs in the college's quality committees

- **Training Attended**

Strategic planning course provided by the National Authority for Educational Quality Assurance and Accreditation.

H) Skills

- Language Skills:

Arabic : A1(mother language).

English : A2

- Computer Skills:very good

- Presentation skills:Excellent

- Other skills: Excellent communication and team work skills.

- Excellent in individual and team management & relationships building.

- The ability to use medical back ground , scientific methodologies and procedures to investigate problems and propose practical solutions.
