

Curriculum Vitae

- **Name:** Fayrouz Moftah Ali Mohamed
- **Title:** Assistant Lecturer
- **Department:** Pharmaceutics.
- **E-mail:** fayrouz.ali@su.edu.eg

A) Academic Qualifications:

- Bachelor's Degree in Pharmaceutical Sciences University: Sinai University Year:2014.
- Master's Degree in Pharmaceutics University: Suez Canal University Year: 2022.

B) Academic promotions:

- Demonstrator, Date: 1/12/2014.
- Assistant Lecturer, Date: 1/6/2022.

C) Scientific Merit:

- Google Scholar Fayrouz Moftah (<https://scholar.google.com/citations?hl=ar&user=vJc0r-oAAAAJ>)
- Scopes ID
- Citations: 8 h-index: 1 i10-index: 0

E) Scientific Activities

2: Training Courses/workshops:

Train during the summer vacation as a community pharmacist from August – September 2012 in Dr. Soliman Ayoub Pharmacy.

Train during the summer vacation as a community pharmacist from July – September 2013 in Dr. Soliman Ayoub Pharmacy.

Pass the Doctor of Philosophy's examination program with a grade of excellent.

Pass all program requirements (Data Analysis Using MS Excel).

Pass all program requirements (Plagiarism Checker and avoidance).

Achieve the Successful accomplishment of the "Fundamentals of Digital Transformation Certificate" FDTC 5 Mandatory Modules & 2 electives & pass the full exams.

Attend a webinar about "Publishing Plan in High Impact Journals" at the 12th February 2022 from research square company at the medical agency for research and statics in collaboration with Springer Nature.

Attend "CABI Online-platform webinar series" organized in collaboration with the Egyptian Knowledge Bank (EKB) on February 6th 2022.

Attend "Patent course" at the Technology Innovation and Marketing Center at the Faculty of Pharmacy, Suez Canal University.

Attend "Entrepreneurship course" at the Technological Innovation and Marketing Center at the Faculty of Pharmacy, Suez Canal University.

Attend "Lab Safety course" at the University Education Development Center at the Faculty of Pharmacy, Suez Canal University

Attend "Research ethics and RCR course" at the Faculty of Pharmacy, Suez Canal University.

Attend "Research Methodology course" at the Faculty of Pharmacy, Suez Canal University.

Achieve the International Computer Driving License (ICDL).

Achieve the TOEFL course in foreign language center in Suez Canal University.

Organize and Attend Nuclear Pharmacy Symposium.

Attend and actively participate in the 1st Pharmaceutical Development Conference at Sinai University.

Attend course of Patient Counseling by El-Ezaby Pharmacy.

Attend First Aid course and Practical Workshops by Sinai Private Hospital and Pharmacist Development association.

Attend course of Memory Development and Principles of Speed Reading.

Attend courses about Studying Strategies, Mind Mapping, Communication Skills, and Charisma.

Attend course of Communication Skills.

Attend course of Time Management.

Attend course of The Art of Persuasion.

Attend course of The Power of Self-confidence.

Attend course of The Laws of Subconscious Mind.

Attend course of Convert Hypnosis Diploma.

Attend course of Success Festival.

Attend conference on the future of Science and Education in Egypt.

3: Conferences, Seminars and Workshops:

- I have shared at the first annual conference for post graduate: pharmaceutical science, innovation & development of the faculty of pharmacy, Suez Canal University at the 3rd December 2018 at Tulip Alforsan Hotel, Ismailia.

- I have presented a poster in the 3rd annual conference of graduate researchers in pharmaceutical sciences, held at the premises held in the faculty of pharmacy, Suez Canal university. Ismailia Egypt on December 5th, 2021.

- I have presented a workshop titled "Science Communication" to faculty of pharmacy students at the 20th November 2021 with the Egyptian Pharmaceutical Students' Federation at faculty of pharmacy. Sinai university.
- I have participated in an awareness campaign about the "Corona Virus" on May 2021 with the College of Information and International Marketing, Sinai university, collaborated and participated in the student graduation project in a scientific journal raising awareness about the Corona virus.
- I have participated with an abstract in the 4th annual conference of graduate researchers in pharmaceutical sciences: New Frontiers in Pharmaceutical Research 2 held in Suez Canal university on November 28th, 2022.
- I have presented a scientific talk titled "Nano drug delivery systems" at the 12th march 2023 at the first scientific conference of the pharmaceutics department, faculty of pharmacy, Sinai University.

4: Teaching Scopes:

Teaching Assistant at Department of Pharmaceutics, Faculty of Pharmacy, Sinai University, North Sinai, El Arish, Egypt.

Assistant Lecturer at Department of Pharmaceutics, Faculty of Pharmacy, Sinai University, North Sinai, El Arish, Egypt.

Practical course of Physical Pharmacy for 1st year students from November 2014 till now.

Practical course of Pharmaceutics (1) for 2nd year students from November 2014 till now.

Practical course of Pharmaceutics (2) for 2nd year students from November 2014 till now.

Practical course of Pharmaceutics (3) for 3rd year students from November 2014 till now.

Practical course of Pharmaceutics (4) for 3rd year students from November 2014 till now.

Practical course of Biopharmaceutics & Pharmacokinetics for 4th year students from November 2014 till now.

Practical course of Design of Dosage Form & Quality Assurance for 4th year students from November 2014 till now.

Practical course of Industrial pharmacy (1) for 5th year students from November 2014 till now.

Practical course of Industrial pharmacy (2) for 5th year students from November 2014 till now.

5: Awards and Certificates of Appreciation:

- Graduated as the second ranked student from faculty of pharmacy in 2014.

- Selected to join the academic staff of the Faculty of Pharmacy upon graduation.
- May 2014: Ideal Student for the academic year 2014 at Sinai University.

F) Scientific Publications:

-International journal

- I have published a scientific paper entitled " Design, Formulation, and Characterization of Valsartan Nanoethosomes for Improving Their Bioavailability "in the pharmaceuticals journal with Impact Factor: 6.525 (2021); 5-Year Impact Factor: 7.227 (2021). Q1 (Pharmacology & Pharmacy).

-Affiliation: Fayrouz Moftah, Department of Pharmaceutics, Faculty of Pharmacy, Sinai University, Arish 45511, Egypt.

- National journal

- I have presented a poster in the 3rd annual conference of graduate researchers in pharmaceutical sciences, held at the premises of the faculty of pharmacy, Suez Canal University, Ismailia Egypt on December 5th, 2021.
- I have participated with an abstract in the 4th annual conference of graduate researchers in pharmaceutical sciences: New Frontiers in Pharmaceutical Research 2 held in Suez Canal University on November 28th, 2022.

H) Skills

- Language Skills: Arabic language and English language.
- Computer Skills: - Microsoft Office (Word, PowerPoint, Excel).
- Successful accomplishment of the **Fundamentals of Digital Transformation Certificate**, 5 Mandatory Modules & 2 electives.
- Presentation skills: Presenting information clearly and effectively, confident, public speaking, creativity, using science communication tools, eye contact while presenting, use of gestures and facial expressions, effective beginning/end, speaking freely, using different types of media, speaking the language of the audience, Engaging with the audience, Conversation with the audience.
- Other skills: Ability to use online platforms to communicate and explain information clearly and easily.
