Research Department

The key is to provide our students with training and actual practice.

We always believe in the bright minds of our students, so we always keep in mind how to facilitate the learning process of students and researchers and provide them with the latest technology and updated equipment to meet their needs to possess the knowledge.

Sinai University aims to establish itself as one of the leading universities in the Middle East in the field of scientific research and to ensure that its research contributes to the welfare of the community.
