Sinai University with its strategic location on the Mediterranean coast near El Arish city is 8 km away from the down town city. Sinai University, established in 2005, is located in the neighborhood of El Masaid.

The university is always keen to enhance its labs and research with the latest up to date technology that would benefit its students’ education journey.

Sinai is working on preparing SU students through advanced research and practical learning experience to make them ready to start to compete and prove themselves in the local and international market competition.

Research Department

The key is to provide our students with training and actual practice.

We always believe in the bright minds of our students, so we always keep in mind how to facilitate the learning process of students and researchers and provide them with the latest technology and updated equipment to meet their needs to possess the knowledge.

Sinai University aims to establish itself as one of the leading universities in the Middle East in the field of scientific research and to ensure that its research contributes to the welfare of the community.

University Dorms:

Sinai University offers a diverse university life and a unique experience for all students. Being more than just a campus, SU is located within the resort of Sama El Arish- an all-inclusive resort with a private beach on the Mediterranean Sea. This offers students the opportunity to enjoy all the hotel's features including hotel rooms, cleaning services, security, restaurants and internet during their stay in the dorms.

SU offers a variety of fully serviced hotel rooms for students and academic faculty members.
