

Curriculum Vitae

- Name: Khaled Saada
- Title: Academic Instructor
- Department: IT
- E-mail: khaled.saada@su.edu.eg

A) Academic Qualifications:

- Bachelor's Degree in , Communication and Electronic University: Alexandria Year: 1992
- Master's Degree in " Modeling and Simulation of Vertical University :Alexandria Year: 2007.
- Ph.D. in Performance for Optimum Stealth Aircraft Detection University: Alexandria Year: 2014

B) Academic promotions:

- Demonstrator, Date:2000-2007
- Assistant Lecturer, Date:2007-2014
- Lecturer, Date:2014

C) Scientific Merit:

- Google Scholar: <https://scholar.google.com/citations?user=DmD3Hz0AAAAJ&hl=en>
- Scopes ID: 55651766900
- Citations:..... h-index: 3 i10-index: none
- Orcid –N (none)

D) Academic Administrative Experiences:

2000-2009: Academic Assistant Instructor at ADC

(Air Defense College).

2009-2014: Academic Assistant Instructor at ADC and Academic Assistant Instructor visitor at Higher Institute for Engineering and Technology.

2014-2020: Academic Instructor at Air Defense College.

2014-Present: Academic Instructor visitor (Computer Department) at Higher Institute for Engineering and Technology.

2021-2024: Academic Instructor visitor (Computer Department) at Air Defense College.

2022-Present : Academic Instructor visitor (Faculty of AI) at Arab Academy for Science and Technology

2022-Present : Academic Instructor visitor (Faculty of Engineering) at Arab Academy for Science and Technology

2024-Present : Academic full-time Instructor (Faculty of Information Technology and Computer Science) at Sinai University

2024-Present : Academic part-time Instructor (Faculty of Science Department of Mathematics and Computer Science) at Alexandria University

E) Scientific Publications:

Last 10 year of published Scientific Papers

-International journals

"An Alternative Measures for Detecting Stealthy Aircraft using Monostatic Radars," 15th International Conference on Advanced Communication Technology (ICACT 2013), Phoenix Park, Korea, Jan., 2013.

- National journals

F) Quality Assurance in Higher Education:

- Reviewer/Editor**
- QA Trainer**
- QA Managing Positions**
- Training Attended**

Program design process training

G) Skills

- Language Skills: English**
- Computer Skills: ICDL**
- Presentation skills: excellent**
- Other skills: none**
